Notes

This bulletin presents figures on complaints recorded under the 2012 complaints regime only. The 2012 complaints regime is governed by the Police (Complaints and Misconduct) Regulations 2012. On 1 February 2020, these were replaced by the Police (Complaints and Misconduct) Regulations 2020. Complaints recorded from 1 February 2020 are not included in this bulletin.

Table C:

RAB refers to 'relevant appeal body'. Both Chief Officers of police forces and the IOPC are appeal bodies and consider appeals. The measure 'Ave number of days to forward appeals to the RAB' captures how long it takes the IOPC to determine that an appeal it has received should have been made to the force and to forward it to that force.

Data sources:

Complaint case and allegation data is taken from XML data submissions made by forces to the IOPC every quarter.

IOPC performance data is taken from the IOPC case management system.

Police force employee numbers are taken from the publication *Police Workforce, England and Wales, 31 March 2019* (National Statistics).

The Most Similar Force (MSF) groups for the calculation of the MSF averages used in this bulletin are those determined by the Home Office. Please note that British Transport Police and City of London Police do not have an MSF group. A list of the MSF groups is available on the IOPC website:

<https://policeconduct.gov.uk/research-and-learning/statistics/complaints-statistics>

Performance Framework counting rules and calculations:

The counting rules and calculations used to produce the data shown in this bulletin can be found on the IOPC website:

Data constraints:

The data is sourced from live case management systems and provides a snap shot of information as it was at that time. Therefore, there may be variances between the information in this bulletin and information reported at a later date.

In addition, the figures in Table E do not include referrals with a mode of investigation decision of 'invalid'.

Table F shows the number of appeals received, completed and upheld by the IOPC in each quarter for each appeal type. 'Inv' refers to investigation appeals, 'LR' to local resolution appeals, 'NR' to non recording appeals, 'Disapp' to disapplication appeals and 'Discon' to discontinuance appeals. Data for disapp and discon appeals is not available prior to 11 March 2013. 'Valid completed' excludes appeals where there was no right of appeal, i.e. invalid appeals.
